About

Hello , I'm Nada Alawneh. I am 24 years old , Participated in many volunteer activities . I love to read , write a lot , travel and discover new things and meet new people . I am a talented, ambitious and hardworking individual, with a little experience in digital marketing . Furthermore, I am adept at handling multiple tasks on a daily basis competently and at working well under pressure. Recently, I completed my Bachelor's with a very good degree . and I am now a full stack developer , who can finish projects and make software for business. My constant vision of life is love the things you do , to do things you love .

Education

Feb-2016/Feb-2021

Yarmouk university / Bio Medical Physics , I started studying this major in 2016 and finished it within four years. It contained a wide variety of subjects, which helped me build extensive knowledge.

Feb-2022/Sep-2022

Trainee at Coding Academy By Orange , Its duration is seven months..full of knowledge, character building, learning and wonderful people like they are my second family.

Experience

Volunteer in Be a help and a seed of good oraganizations for seven months , where we help lots of people .
Three months in digital marketing and social media .

A private teacher for different levels including students of university , and also a searches writer .

Seven months of training in coding academy as a full stack developer.
